

AWS PartnerEquip: Live – London 2025 FAQs

1. When and where is AWS PartnerEquip: Live - London?

AWS PartnerEquip: Live – London will be hosted 7 – 9 October, 2025 in central London, United Kingdom.

2. Are there going to be events in other regions in 2025?

Unfortunately, this is our last event for this year. Please visit our [AWS PartnerEquip web page](#) for more details on future events.

3. Who should attend AWS PartnerEquip: Live - London?

This **in-person event** is available only to AWS Specialization Partners as a benefit for their validated achievements. This event is ideal for developers, engineers, system administrators, systems architects, IT executives, and technical decision-makers, in addition to our channel, sales and alliances partners in the non-technical Sales and Alliances track. Technical presentations will include 300-400 level content, while the sales track is 200+ level. The event offers interactive learning guided by AWS experts, keynotes, white-boarding sessions, networking opportunities, and much more.

4. Where can I learn more about each of the tracks?

Agendas for each of the learning tracks will be found on the [registration page](#).

5. Can I attend more than one track?

No, we do not offer the option to attend multiple tracks at this time. If you register for more than one, your first registration will be the track you are confirmed for. If you need to change your track, please email us.

6. I want to attend a different track than I registered for, how can I fix that?

If there is still capacity in your desired track, we are happy to do this for you. Please email AWS-PartnerEquip@amazon.com to request the change.

7. Is there a price to attend?

No. Registration is complimentary for our specialization partner attendees and includes access to meals, sessions, and receptions.

8. Does AWS provide any support for travel, accommodation, or visa-related matters?

No, AWS is unable to provide any travel, accommodation, or visa-related support including invitation or application letters, visa costs, sponsorships, validated parking, etc. For all visa-related inquiries, please contact your internal travel team, or the appropriate embassy or consulate directly.

9. Where will registration be located?

On-site at the event venue. Specific details will be shared in the 'Know Before You Go' email a week and day prior to arrival. Please present a government-issued photo ID to collect your badge. Registration will be open throughout the event.

10. Will there be any additional networking events for attendees?

Yes, there will be networking opportunities throughout the week. Details will be shared in the Know Before You Go email.

11. Will we have an opportunity to meet with senior AWS leaders on site?

Yes, you can request to be nominated for a meeting with our senior leadership on site. Please reach out to your Partner Development Manager or Account Manager to learn more.

12. Do you offer continuing education credits to attendees of a certificate of attendance?

Yes, each attendee will receive a certificate of attendance for 21 hours of technical training aligned to their specific track for attending the full three days.

13. What is the dress code?

There is no dress code for attendees. Attendee attire varies from business casual, suits, hoodies and jeans. Please wear what you are comfortable in.

14. Is there an age requirement to attend?

Yes. All attendees must be at least 18 years of age on the day they pick up their conference badge. A government issued ID is required at check in.

15. What is the AWS Code of Conduct?

Please see here for the [AWS Code of Conduct](#). All attendees must comply with the Code of Conduct.
