

AWS PartnerEquip: Bengaluru FAQs

1. When and where is AWS PartnerEquip: Bengaluru?

AWS PartnerEquip: Bengaluru will be hosted March 4-6, 2025 at Sheraton Grand Bengaluru Whitefield Hotel & Convention Center, located at Prestige Shantiniketan, Hoodi, Thigalarapalya, Whitefield, Bengaluru, Karnataka 560048, India.

2. Are there going to be events in other regions in 2025?

Yes, more dates and locations in North America and Europe will be shared soon. Visit our [PartnerEquip web page](#) for more details.

3. Who should attend PartnerEquip: Bengaluru?

This **in-person event** is only available to AWS Specialization Partners as a benefit for their validated achievements. This event is ideal for developers, engineers, system administrators, systems architects, IT executives, and technical decision-makers. Presentations will include 300-400 level, interactive learning guided by AWS experts, keynotes, white-boarding sessions, networking opportunities, and much more.

4. Where can I learn more about each of the tracks?

Agendas for each of the learning tracks are available below:

- AI, Data and Next Gen Developer Experience (NGDE) – event agenda coming soon
- [CloudOps and Resilience](#)
- End User Computing – event agenda coming soon
- [Next-Gen Managed Service Provider](#)
- [Migration & Modernization](#)
- [Sales & Alliances](#)
- [Security](#)

5. I want to attend a different track than I registered for, how can I fix that?

If there is still capacity, we are happy to change the track you registered for. Please email AWS-PartnerEquip@amazon.com to request the change.

6. Is there a price to attend?

No. Registration is complimentary for this event and includes access to meals, sessions, and an evening networking reception.

7. Can I get reimbursed by AWS for travel and accommodation costs?

No, AWS does not reimburse or validate parking or other travel associated costs.

8. Will AWS support a travel visa so I can attend?

No, AWS does not support travel visas.

9. Is there a hotel block for PartnerEquip: Bengaluru?

Yes, this will be shared at a later stage with confirmed attendees. The hotel block allows attendees to reserve a room in our AWS block at a discounted rate, but it is limited and first come, first served.

10. Where will registration be located?

On-site at the Sheraton Grand Bengaluru Whitefield. More specific details will be shared in the 'Know Before You Go' email a week and day prior to arrival. Please present a government-issued photo ID to collect your badge. Open throughout the event and each morning as your entry point to be escorted to the event floor

11. Will there be any additional networking events for attendees?

Yes. Connect with attendees across all tracks while enjoying great food and drinks on Tuesday, March 4.

12. Will we have an opportunity to meet with senior AWS leaders on site?

Yes, you can request to be nominated for a meeting with our senior leadership on site. Please reach out to your Partner Development Manager or Account Manager to learn more.

13. Do you offer continuing education credits to attendees of a certificate of attendance?

Yes, each attendee will receive a certificate of attendance for 19 hours of technical training aligned to their specific track for attending the full three days.

14. What is the dress code?

There is no dress code for attendees. Attendee attire varies from business casual, suits, hoodies and jeans. Please wear what you are comfortable in.

15. The registration form includes sizing. What is this for?

All attendees will receive a unisex t-shirt.

16. Is there an age requirement to attend?

Yes. All attendees must be at least 18 years of age on the day they pick up their conference badge. A government issued ID is required at check in.

17. What is the AWS Code of Conduct?

Please see here for the [AWS Code of Conduct](#). All attendees must comply with the Code of Conduct.

18. How do I request accessibility services?

Contact our customer support team with any questions or needs at AWS-PartnerEquip@amazon.com.

19. How can I contact the event organizers?

Contact our customer support team with any questions or needs at AWS-PartnerEquip@amazon.com.
